The Bank of Northern Michigan GiftCard

The Bank of Northern Michigan GiftCard is a prepaid gift card that can be used anywhere Visa® debit cards are accepted. It makes the perfect employee or client gift for holidays, birthdays, service anniversaries, business incentive programs, and more. In addition, gift cards obtained through our website can be personalized!

Purchase Today!

GiftCards can be purchased at each of our locations and on our website as follows:

- In the lobby - Any Client Service Representative can provide you with 1-20 GiftCards directly by instantly loading the desired dollar amount (between $20 and $750) on to the GiftCard(s). You can use cash or check to pay, or we can automatically debit your account with The Bank of Northern Michigan. Once the card is loaded, it is immediately available for use.

- Online - Need to order more than 20 GiftCards? Let our Client Service Representatives walk you through the online ordering process while you're in the lobby. Or go to www.tbonm.com/Business-Banking/More-Services.aspx and click on the DeluxeCard® GiftCard link. You will automatically be directed to the ordering site. You can then choose a card design, and select a personalized message to be imprinted on the GiftCard. Cards ordered online must be paid for by Wire Transfer.

You Have Options!

When ordering online, you can choose from several card designs, messages and even add your company logo for a one-time set up fee. There are two card options available when purchasing GiftCards in the lobby. Choose from one of the options below:

For a Low Cost:

- $3.50 for cards purchased in the lobby
- Bulk orders through our website are discounted when ordering 50 or more GiftCards. Cards purchased in bulk may be loaded with any whole dollar amount ranging from $20-2,500.
